

COVID-19 UPDATE: December 13th, 2020

Over recent months, we have seen and felt the impact that the global spread of COVID-19 has had on us all, Grey Eagle Casino has been closely and carefully monitoring the developments and have been strictly following the advice and directions provided by Alberta Health Services and Provincial leadership. Our guests and staff members have always been at the forefront of all that we do at the Grey Eagle Casino.

The health and safety of our guests, staff members and communities will continue to be our priority, and as such, we will act in accordance with the mandatory closure of all casinos as ordered by the Alberta government.

The mandatory closure becomes effective at 12:01 A.M. on Sunday, December 13th. We anticipate this closure will be until further notice, but we promise to provide consistent updates as information becomes available.

We look forward to inviting everyone back when we reopen. Please take care and be safe.

Please note that Grey Eagle Hotel will remain open.
