

ATTENTION

GREY EAGLE CASINO IS “BUSINESS AS USUAL” FOR GUESTS WITH PROOF OF COVID-19 IMMUNIZATION.

EFFECTIVE SEPTEMBER 20TH AT 9:30 AM WE ARE IMPLEMENTING THE RESTRICTIONS EXEMPTION PROGRAM.

All guests will require proof of vaccination or a negative test within 72 hours to enter the facility.
Or documentation of a medical exemption issued by a medical doctor.

Single doses must be received 2 weeks prior to visiting the casino and will be accepted until
October 25th, 2021.

Double doses are required after October 25th, 2021, with 2nd dose 2 weeks prior to this date.

Our security team will accept proof in the form of paper documents, screenshots, MyHealth app, cards, and QR codes. Security will also request a physical copy of valid government-issued ID matching the name on the vaccination document provided.

A stamp may be requested to obtain in/out privileges for the current gaming day, otherwise, proof of documentation will be requested for each and every entry.

Masks will continue to be mandatory at Grey Eagle Casino and can only be removed while seated, eating, drinking, or smoking. You will also be asked to lower your mask briefly upon entering.

Food and beverage service will resume with the last call for alcohol at 2 AM and one hour for consumption. There will be no service after 2 AM.

Please be advised there are no exceptions to any of these requirements at any time.
