

GREY EAGLE EVENT CENTRE PARKING ANNOUNCEMENT

Due to the parking capacity limits at the Grey Eagle Resort and Casino, new parking procedures will be in place for attendees of certain concerts and events at the grey Eagle Event Centre.

All attendees arriving via their own vehicle will be directed to the Event Centre overflow parking lots by our traffic management team (see attached map outlining the overflow locations). Additional signage will be in place outlining where the overflow lots are located.

For attendees parking in the north west overflow lot behind the Hotel can enter thru the Hotel and down the walkway to the Casino entrance. A member of our security team will be present at the Hotel Walkway doors to scan vaccination QR codes and check ID. At that point, attendees will be provided a stamp to enter the Casino entrance to the Event Centre.

Show your Checker Cab, Cab or Uber receipt and receive a \$5 tito ticket. We'd like to encourage attendees to ride share to all Event Centre concerts and events. Simply provide proof of receipt to our security team and receive a \$5 tito play ticket from the Casino.

**\$5 TITO tickets available on a first come, first serve while quantities last.*
